FREQUENTLY ASKED QUESTIONS

Are there prerequisites for CMOM enrollment?

At least a year of medical office experience is recommended to participate in the CMOM program. Candidates with less than a year of experience should begin with fundamental training like PMI's Management & Leadership for the Medical Practice course prior to CMOM enrollment.

Why should I invest in the CMOM credential?

There are many reasons why your practice manager will benefit from this extensive curriculum. PMI instructors have first-hand experience in medical office management. Enrollment include enhanced interactive features, ongoing faculty-led student support sessions, and access to recorded content on-demand.

How can I pay for CMOM?

PMI offers a convenient installment plan. Download the PDF form on our site to get started.

CMOM JOBS ARE IN DEMAND

The Bureau of Labor Statistics states that demand for highlyskilled health services managers will increase 20% by 2026. As the baby-boom population retires, there will be more jobs to fill in healthcare services.

More Options

New or inexperienced managers should consider the CMOM Training Bundle which includes three selfpaced foundation courses plus the CMOM course and exam. Participants have the option to transfer to a live CMOM course series. New live class enrollments open up three times a year.
